Christmas 2026

The True Meaning of Christmas

Dear Neighbours,

As the busy days of December swirl around us, it is easy to get caught up in the checklist of the season. Yet, right in the middle of the noise and winter chill, we pause to celebrate the quiet, earth-shaking miracle of the manger: God with us.

In the birth of Jesus Christ, we find a hope that does not fade, a peace that calms our greatest anxieties, and a love that reaches into the darkest corners of our world. He came not as a distant ruler, but as a tiny, vulnerable child—inviting us into a relationship where every single person is known, valued, and deeply loved.

This Christmas, may you find moments of quiet stillness in His presence, joy shared around tables and in homes, and the assurance that you are never alone. From all of us at Upper Studley Baptist Church, may the light of Christ shine brightly in your hearts and homes this Christmas and throughout the New Year.

In His peace and joy, Pastor Tony Brown

May the joy of the angels,
The gladness of the shepherds,
The worship of the wise men
And the peace of the Christ child
Be yours this Christmas.
